BREW HOUSE

Sonnet 43 Brew House is our craft brewery based in Coxhoe, birthplace of 19th Century poet Elizabeth Barrett Browning from whose best known work, which features the well-known line 'How do I love thee? Let me count the ways', we derived both our name and brewing ethos. We took the love she described and interpreted our way - craft beer. Every drop is crafted with care and attention to ensure the best flavour.

**Please ask at the bar for a sample of our beers**
